PROFESSIONAL SUMMARY

Frontend-focused Web Developer with 6 months of professional experience at MITNEXT Software & Services, building responsive, user-friendly interfaces using HTML5, CSS3, JavaScript, and Bootstrap. Experienced in creating forms, dynamic pages, and UI modules integrated with Django and MySQL backends. Strong in responsive design, cross-browser compatibility, debugging, and Git-based workflows. B.Tech in AI & Data Science (2026). **Immediate joiner**, open to relocation across India and remote roles.

CERTIFICATIONS

Full Stack Developer – Python | C & C++ | Digital Marketing

PROFESSIONAL EXPERIENCE

MITNEXT Software & Services **Frontend / Python Developer**	May 2026 – Present Nagpur, India

Key Responsibilities:

- Build responsive web pages and interfaces using HTML5, CSS3, JavaScript, and Bootstrap
- Develop forms, views, and dynamic UI modules integrated with Django and MySQL backends
- Implement CRUD-based interfaces for data entry, listing, editing, and validation
- Ensure layouts work consistently across devices and browsers; fix UI and functional bugs
- Test, debug, and resolve issues to keep applications stable and user-friendly
- Use Git and GitHub for version control and collaborative development

PROJECTS

Besa Nagarpanchayat Government Management System	HTML5 | CSS3 | JavaScript | Python | Django | MySQL

- Developed responsive front-end interfaces and web modules for an online citizen complaint/query system using HTML5, CSS3, JavaScript, and Bootstrap
- Built Django templates, forms, and views that let citizens submit complaints and queries and let administrators manage them
- Implemented form validation to ensure accurate data entry and a smooth user experience
- Integrated the interface with a MySQL database and implemented complete CRUD functionality (create, read, update, delete)
- Designed a clean, mobile-friendly layout that is easy to use for both citizens and administrative users
- Tested and debugged modules, fixed UI and functional issues, and used Git and GitHub for version control
